FEATURES

- Resident Voices: An Intercultural Conversation Question**
Sponsored by Community Life: Multicultural Ministries

Rules: Each week, in Resident Voices, a new question will be posed to the Asbury community. These questions have been gathered from students from a variety of cultures. The hope of the question is to be a conversation piece. Ask somebody you know from the culture or nation that is included in the question, and find some important things about the many people that compose our Asbury Community.

So, the main rule is that you must find the answer through conversation. In other words, using Google or any other research database is against the rule.

"We all have a heritage...what's yours?"

Question: How many districts does the African Methodist Episcopal Church have, and who was first female bishop of the denomination?

**If you have any questions that you would like to submit, please send them to Community Life by way of keith_jagger@asburyseminary.edu*
